In *Deeper, Older, Darker*, Tarana Burke shares her story of survival, resilience, and activism. Burke is the founder of the #MeToo movement, which has empowered millions of survivors of sexual violence to come forward and share their stories.

Burke's memoir is a deeply personal and moving account of her life. She writes about her childhood in Harlem, where she was raised by her grandmother in a housing project. She also writes about her experiences with sexual violence, which began when she was just a child.

Despite the challenges she faced, Burke never gave up on her dreams. She went on to college and graduate school, and she became a community organizer and advocate for survivors of sexual violence. In 2006, she founded the #MeToo movement, which has since become a global phenomenon.

Deeper, Older, Darker is a powerful and inspiring memoir that will resonate with anyone who has ever experienced sexual violence. Burke's story is a reminder that we are not alone, and that we can overcome anything if we have the courage to speak out.
