Did That Just Happen? is the incredible true story of a young woman's journey through a series of bizarre and unexpected events. From being stalked by a mysterious stranger to winning a major lottery jackpot, this book is a wild ride from start to finish.

The author, Sarah Jones, is a young woman who has always lived a relatively quiet life. But one day, everything changed. She started receiving strange phone calls and emails from a mysterious stranger. The stranger knew intimate details about her life, and they threatened to hurt her if she didn't do what they said.

Sarah was terrified. She didn't know what to do. She went to the police, but they couldn't help her. The stranger was always one step ahead of them.

Sarah's life was turned upside down. She couldn't sleep or eat. She was constantly looking over her shoulder, afraid that the stranger would find her.

One day, Sarah's luck finally changed. She won a major lottery jackpot. She was overjoyed. She finally had the money to escape her stalker and start a new life.

But even with all her newfound wealth, Sarah couldn't escape her past. The stranger was still out there, and they were still determined to hurt her.

Did That Just Happen? is a story of suspense, resilience, and hope. It is a reminder that even in the darkest of times, there is always light at the end of the tunnel.
