Are you looking for ways to make money online? If so, you may want to consider selling products you create. In this article, we will discuss three different money methods you can use to make an income selling products you create.

### 1. Sell digital products

Digital products are products that can be delivered electronically, such as ebooks, courses, software, and printables. Selling digital products is a great way to make money online because they are relatively easy to create and

can be sold over and over again. To sell digital products, you can use a variety of platforms, such as:

- Sellfy
- Gumroad
- Shopify

## **2. Sell physical products**

Physical products are products that you can ship to customers, such as clothing, home goods, and jewelry. Selling physical products is a great way to make money online if you have a product that you can create and ship yourself. To sell physical products, you can use a variety of platforms, such as:

- Our Book Library
- Etsy
- Shopify

## **3. Sell services**

Services are a great way to make money online if you have a skill or talent that you can offer to others. Some examples of services you can sell online include:

- Freelance writing
- Virtual assistant services
- Social media marketing

To sell services, you can use a variety of platforms, such as:

- Upwork
- Fiverr
- Freelancer

## Which method is right for you?

The best money method for you will depend on your skills, interests, and resources. If you have a product or service that you can create and sell, then selling digital or physical products may be a good option for you. If you have a skill or talent that you can offer to others, then selling services may be a good option for you.

No matter which method you choose, there are a few things you can do to increase your chances of success:

- Create high-quality products or services.
- Market your products or services effectively.
- Provide excellent customer service.

By following these tips, you can increase your chances of making a successful income selling products you create.
