About Lonely Planet: Lonely Planet is the world's leading travel guide publisher. Our books are written by experts who have a deep understanding of their destination, and they're packed with insider tips and insights. We believe that travel should be an enriching experience, and our guides are designed to help you make the most of your time on the road.

Here are some of the highlights of Lonely Planet Kenya:

- **The Maasai Mara:** This world-renowned game reserve is home to an incredible array of wildlife, including lions, elephants, zebras, and wildebeest. You can go on a game drive, take a hot air balloon ride, or visit a Maasai village.
- **The Great Rift Valley:** This massive geological feature stretches for thousands of kilometers through Kenya. You can visit the dramatic escarpments, see the flamingos on Lake Naivasha, or go hiking in the Aberdare Mountains.
- **The Aberdare Mountains:** These lush mountains are home to a variety of wildlife, including elephants, buffaloes, and leopards. You can go hiking, camping, or birdwatching in this beautiful natural setting.

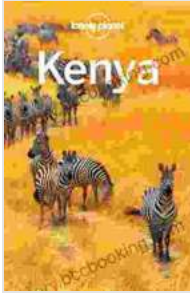

- **Mount Longonot:** This extinct volcano is a popular hiking destination. You can climb to the crater rim and enjoy stunning views of the surrounding countryside.
- **The Great Wildebeest Migration:** This annual migration of over 1 million wildebeest and zebras is a truly spectacular sight. You can witness the migration in the Maasai Mara or in the Serengeti National Park in Tanzania.

With Lonely Planet Kenya, you'll be sure to have an unforgettable travel experience. So what are you waiting for? Start planning your trip today!
