Glaser was born in New York City in 1929. He studied at the Cooper Union School of Art and the Yale School of Art and Architecture. After graduating from Yale, Glaser worked as a freelance designer for several years. In 1954, he co-founded the Push Pin Studios, which became one of the most influential design studios of the 1960s and 1970s.

Glaser's work is often characterized by its use of typography. He was a master of using type to create visual impact and communicate a message. Glaser's most famous work includes the "I ♥ NY" logo, which he designed in 1977. The logo has become one of the most iconic symbols of New York City.
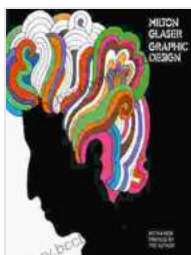

In addition to his work in graphic design, Glaser also worked as an illustrator, painter, and teacher. He taught at the School of Visual Arts in New York City for many years. Glaser's work has been featured in numerous books and exhibitions, and he has received many awards for his contributions to the field of graphic design.

Milton Glaser was a true master of graphic design. His work is characterized by its bold, simple, and iconic style. Glaser's work has had a profound impact on the field of graphic design, and his legacy will continue to inspire designers for generations to come.

Some of Glaser's Most Famous Works

- The "I ♥ NY" logo

- The Bob Dylan poster

- The Brooklyn Brewery logo

- The Mad Men poster

- The United States postage stamp series

Milton Glaser was one of the most influential graphic designers of the 20th century. His work is characterized by its bold, simple, and iconic style. Glaser's work has had a profound impact on the field of graphic design, and his legacy will continue to inspire designers for generations to come.
