"One Veteran, One Dog, and Their Bold Quest to Change Lives" is a gripping memoir that chronicles the extraordinary journey of Kevin Flike, a former Marine sergeant, and Max, his devoted service dog. Together, they embark on an unforgettable quest to harness the power of their own healing to make a difference in the world.

After returning home from combat, Kevin struggled with the invisible wounds of post-traumatic stress disorder (PTSD). With Max by his side, he found solace and companionship amidst the chaos.

Recognizing the profound impact Max had on his well-being, Kevin was inspired to create an organization that would pair veterans with service dogs.

And so, K9s For Warriors was born.

Over the years, K9s For Warriors has transformed the lives of countless veterans and their families. Through rigorous training and unwavering support, the organization provides veterans with the tools they need to overcome the challenges of PTSD, traumatic brain injury (TBI), and military sexual trauma (MST).

"One Veteran, One Dog, and Their Bold Quest to Change Lives" is not just a compelling story of personal triumph; it's a testament to the transformative power of human-animal bonds and the indomitable spirit of those who have served our country.

A Must-Read for:

- Veterans and military families
- Anyone interested in the healing power of animals
- Those who have been impacted by PTSD or other trauma
- Readers looking for an inspiring and uplifting story

Don't miss out on this extraordinary book that will renew your faith in the human spirit and the unbreakable bonds that connect us all.
