In the sleepy town of Willow Creek, secrets are buried deep, and the past has a way of coming back to haunt the present. When a young woman is found murdered, Detective Jack Hartigan is called in to investigate. As he delves into the case, he soon realizes that there's more to this town than meets the eye.

The victim, Sarah Jones, was a bright and promising young woman with her whole life ahead of her. But she also had a dark secret that she had been keeping hidden from everyone, including her closest friends and family.

As Hartigan digs deeper, he uncovers a web of lies and deceit that reaches the highest levels of Willow Creek society. He soon realizes that Sarah's murder was not a random act of violence, but a calculated and cold-blooded killing.

With each new piece of evidence that Hartigan uncovers, he gets closer to the truth. But the closer he gets, the more dangerous his investigation becomes. Someone in Willow Creek is determined to keep the past buried, and they will stop at nothing to silence Hartigan.

In a race against time, Hartigan must piece together the clues and find Sarah's killer before the trail goes cold. But as he gets closer to the truth, he realizes that he may be the next victim.
