Have you ever wondered what goes on inside your horse's mind? What drives their behavior? What do they truly need to be happy and healthy?

In her groundbreaking book, "What Horses Really Want," renowned horsewoman and trainer Dr. Susan Harris answers these questions and more. Through years of meticulous research and observation, Dr. Harris has uncovered the hidden desires and motivations that drive horse behavior.

A Paradigm Shift in Horse Care

"What Horses Really Want" challenges conventional wisdom about horse care and training. Dr. Harris argues that the traditional approach to horsekeeping, which focuses on dominance and control, is fundamentally

flawed. Instead, she advocates for a relationship-based approach that respects the horse's natural instincts and desires.

Dr. Harris's approach is based on the latest scientific research on horse behavior. She explains how horses are social animals with complex emotional lives. They need companionship, freedom of movement, and a sense of purpose in Free Download to thrive.

The 10 Pillars of Horse Well-Being

In "What Horses Really Want," Dr. Harris identifies 10 pillars of horse well-being:

1. **Companionship:** Horses are social animals and need to live in herds.
2. **Freedom of movement:** Horses need to be able to move freely in Free Download to stay healthy and happy.
3. **A sense of purpose:** Horses need to feel like they have a job to do.
4. **Respect:** Horses need to be treated with respect in Free Download to develop trust.
5. **Nutrition:** Horses need a healthy diet in Free Download to stay healthy.
6. **Grooming:** Horses need to be groomed regularly in Free Download to stay clean and healthy.
7. **Veterinary care:** Horses need regular veterinary care in Free Download to stay healthy.
8. **Farrier care:** Horses need regular farrier care in Free Download to keep their hooves healthy.

9. **Training:** Horses need to be trained in Free Download to learn how to behave safely and appropriately.
10. **Love:** Horses need love and affection in Free Download to bond with their humans.

Revolutionize Your Relationship with Your Horse

"What Horses Really Want" is a must-read for any horse owner or enthusiast. It will change the way you think about horses and empower you to create a fulfilling and harmonious partnership with your equine companion.

If you want to understand your horse better, improve your training methods, and create a deeper bond with your animal, then "What Horses Really Want" is the book for you.
