What are money blocks?

Money blocks are subconscious beliefs that prevent us from achieving financial success. They can be caused by a variety of factors, including our upbringing, our culture, and our personal experiences.

Money blocks can manifest in a variety of ways, such as:

- Feeling guilty about spending money
- Believing that you don't deserve to be wealthy
- Procrastinating on financial tasks
- Making poor financial decisions
- Experiencing financial setbacks

If you're struggling with any of these issues, then it's likely that you have some money blocks that are holding you back.
